

📍 Lichtenburg 📍 Potchefstroom 📍 Klerksdorp 📍 Upington

laubstar.co.za

As a multi-franchise dealership, Laubstar represents globally respected brands including FAW Trucks, Iveco, Powerstar and UD Trucks. Our strategic footprint along the N12 and N14 corridors — with branches in Klerksdorp, Potchefstroom, Lichtenburg and Upington — positions us to effectively serve clients across the North West and Northern Cape regions.

We partner with businesses of all sizes, delivering dependable trucks, trailers and fully integrated support solutions tailored to each operation. Our focus is simple: provide the right vehicle, the right support and the right long-term partnership to keep your fleet moving forward.

Our Value to Your Business

- Complete, end-to-end transport solutions
- The right vehicle specification for your application
- Reduced total cost of ownership
- Tailored maintenance and full-service contracts
- A fully stocked parts warehouse with day-and-night availability
- Customised finance solutions
- Professional driver and technical training
- Highly skilled technicians and auto electricians
- 24/7/365 breakdown and technical support
- Night shift servicing on request

Laubstar Finance

Laubstar Finance was established to drive your business forward through tailored financial solutions designed specifically for commercial vehicles and fleet operations.

We structure finance packages that improve cash flow, reduce capital pressure, and align with your operational needs.

Our Finance Solutions Include:

- **Asset-Based Finance** – Structured vehicle funding aligned to your business growth strategy.
- **Operating Rentals (OPR)** – Flexible leasing options that minimise risk and optimise fleet flexibility.
- **Full Maintenance Leases (FML)** – Comprehensive leasing solutions that combine vehicle finance with full maintenance support for predictable monthly costs.
- **Service & Maintenance Plans** – Customised contracts designed to maximise uptime and control long-term operating expenses.

Parts & Accessories Division

- Truck and trailer parts supply
- Hydraulic components (hoses, pumps, PTOs, system installations)
- Oils and lubricants
- Major component overhauls (engines, gearboxes, differentials)

Proud associates of Laubstar Fleet Services

BRIDGESTONE

LOADTECH
GROUP OF COMPANIES

Technical Division

- Preventative maintenance contracts
- Truck and trailer servicing and repairs
- Auto electrical diagnostics and repairs
- Panel beating and body repairs
- Welding and fabrication
- Wheel alignment services

Additional Solutions

- 24/7 breakdown assistance (mechanical, electrical, hydraulic)
- Accredited technical training through the Laubstar Training Centre (Registered SDP)
- Commercial vehicle insurance solutions (in partnership with accredited providers)
- Telematics solutions
